After-Hours Clinics and Urgent Care Clinic

Children's Hospital's After-Hours Clinics and Urgent Care Clinic are open evenings and weekends when most pediatric offices are closed, and we provide same-day reports to the patient's pediatrician.

No appointment is necessary, and walk-ins are always welcome; We also offer patients the ability to save their spot and view wait times by visiting VanderbiltChildrensAfterHours.com.

(Including X-rays)

Surgical Services in Spring Hill and Murfreesboro

Your pediatric patients can have select outpatient surgeries performed in Murfreesboro and Spring Hill by the same pediatric surgeons that practice at Children's Hospital's main campus in Nashville.

Surgical specialties offered at our 2102 West Northfield Blvd. location in Murfreesboro include:

- Gastroenterology
- General Surgery
- Orthopaedics
- Otolaryngology
- Plastic Surgery
- Urology

This location, one of two Children's Hospital facilities in Murfreesboro, is 37,500 square feet and was built specifically for providing pediatric care. In addition to surgery and specialty services, we also offer pediatric imaging and urgent care.

Surgical specialties offered at our 1003 Reserve Blvd. location in Spring Hill include:

- Gastroenterology
- Pulmonology
- Otolaryngology
- Urology

Children's Hospital is dedicated to improving pediatric care in surrounding communities, and we closely collaborate with you, the referring pediatrician, to ensure your patients receive the best care and quality outcomes.

Angel Critical Care Team

The Angel Critical Care Team has the highest level of training and access to specialized neonatal and pediatric equipment, allowing us to bring advanced care to you. We offer specialized critical care transport services 24 hours a day to patients from birth to 18 years of age. We are excited about the addition of an ambulance to the Vanderbilt Murfreesboro Surgery Center and Clinic for response to referring facilities in the Southeast region of middle Tennessee.

Pediatric Transfers: (866) 936-7811

Neonatal Transfers: (855) 322-9111
